

BM01 Biological Membranes (4hr)		Plan	Changed	Done	Review
L01 Intermolecular Forces (105min)					
T01 Study & Sims - Intermolecular Forces (30min)					
T02 Video - the Structure of Phospholipids (5min)					
T03 RP - Memory 1 Bio-Membranes (15min)					
T04 Simulation - Membrane Formation (40min)					
T05 RP - Memory 2 Bio-Membranes (15min)					
L02 Biological Membranes - Structure and Function (60min)					
T01 Video - Cell Membrane 1 (10min)					
T02 RP - Memory 3 Bio-Membranes (15min)					
T03 Video - Cell Membrane 2 (10min)					
T04 Video - Active & Passive Transport (10min)					
T05 RP - Cloze 1 Diffusion (15min)					
T06 RP - Cloze 2 Osmosis (15min)					
L03 Membrane Channels (85min)					
T01 RP - Quizlet (20min)					
T02 Sim - Membrane Channels (45min)					
T03 Quiz - Biological Membranes (30min) 80%
